## 45 EXCELLENT GIFTS TO PLEASE THE BOATER IN YOUR FAMILY

BY THE BOATING TECH TEAM

One of the many good things about having a boater in the family is that when it comes to gift ideas, he or she probably has an endless amount of wants and needs. There's always something that can make the boat or a day on the water better. With that in mind, here are 45 gift ideas that are bound to improve your nautical holiday spirits.

### TAKING FLIGHT RAYMARINE AXIOM PRO WITH DRONE FUNCTION

If the angler on your list likes drones, he or she will love Raymarine's Axiom and Axiom Pro multifunction displays with integrated controls for drones. They include a single button to launch, track and record video. They also have a GPS

link for various "follow" modes and real-time video streaming.

Starting at \$649.99; [westmarine.com](http://westmarine.com)

**DOCKTAIL CHILLER  
YETI RAMBLER WINE  
TUMBLER**

A wine glass should be smooth and rounded, but for active people, stable. This Yeti Rambler 10-ounce Wine Tumbler keeps your beverage at the ideal served temperature down to the last sip. It comes in six available colors, so your friend can't "accidentally" drink yours, and it's available with a locking lid too. \$24.99 (\$9.99 for the lid); yeti.com

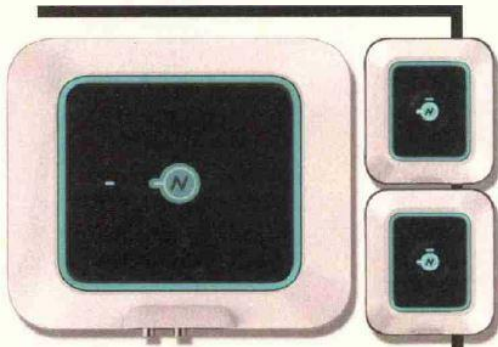

**FOR EGGNOG TOO!  
CANYON 20-OUNCE  
ADVENTURE COPPER  
TUMBLER**

Boaters need to stay hydrated, and the Canyon 20-ounce Adventure Copper Tumbler will help them do so. The cool copper tumblers are made from the highest-quality food-grade materials and will get attention. Available alone or as part of a six-piece bundle, and also in a 30-ounce size. \$20; canyoncoolers.com

**CARVE 'EM UP  
CUDA TOOLS FILLET KNIFE KIT**

Any angler will appreciate the Cuda Tools Fillet Knife Set as a gift. It includes a 2.5-inch bait knife, 6- and 7-inch fillet knives, and a knife sharpener — all wrapped up in a heavy-duty case with the Prym1 Camo blue exterior. The knives feature titanium-bonded steels and alloys for sharpness and durability. \$80.99; cudabrand.com

**KNOWLEDGE IS POWER  
NAUTIC-ON**

Give the boater on your list the ability to connect with his or her boat and manage its systems, even when miles away. Nautic-ON is an app-controlled monitoring and security system that allows boaters to see the boat's location, status of pumps, state of battery charge and more. It will even alert boaters to a status without being asked, and offers easy installation and operation. Starting at \$600; \$149 annual subscription; nautic-on.com

**BIG AIR AND  
BIG FUN  
RONIX PARKS  
WAKEBOARD**

Parks Bonifay's name is synonymous in water-sports with high-flying fun. This latest pro-model wakeboard from Ronix is the perfect gift for the adrenaline-loving person in your life. With an increased sidecut and new continuous rocker profile, the Parks board accommodates a variety of riders. \$410; ronixwake.com

**BOISTEROUS BOAT  
SURFING  
O'BRIEN ROYALE**

With over 19.6 liters of volume, the Royale wakesurf board has plenty of float for almost any size rider. The larger size means it also works well behind boats with smaller wakes/waves. Whether the person on your list is a beginner just learning or a more advanced rider, the Royale will suit their needs and provide tons of fun. \$480; obrien.com

**SURF, SKIM, SPLASH  
AND MORE  
RADAR FIFTY50  
BOARD**

A wakesurf board can be expensive, but that shouldn't prevent you from having fun. Part of Radar's Thirty30 collection, the Fifty50 board is the ultimate utility ride. Surf the boat's wave, let the rope out and ride farther back to carve the wake, or even ride it while kneeling or play with it at the beach. \$220; radarskis.com
