

Cuda – 9” Fillet Knife  
Florida Sport Fishing – May 1, 2017

# Gear Guide

## Cuda 9” Fillet Knife

**Website:**  
cudabrand.com

**MSRP:**  
\$65.54

**Specs**

- ▶ Full-tang construction
- ▶ 47-layer Micarta handle

Built with full-tang construction utilizing titanium bonded 40A carpenter steel, Cuda Professional Series knives provide the ultimate level of edge retention and corrosion resistance. Their 9” fillet knife provides the ultimate flex for skinning and trimming duties, while six additional knives—ranging from a 6” fillet knife to a 10” breaker—ensure you always have the right tool for the task at hand. Includes hard molded sheath.
