

Headboat fishing is a lifestyle and a favorite pursuit of thousands of Northeast anglers. These gifts will give the rail rat in your life better odds of winning the pool.

The Regular at the Rail

Yeti Tundra 65

Keep your ice intact and your catch cold from the time you haul it over the rail to the time you get the fillets home, even on extended adventures in summertime heat. \$350

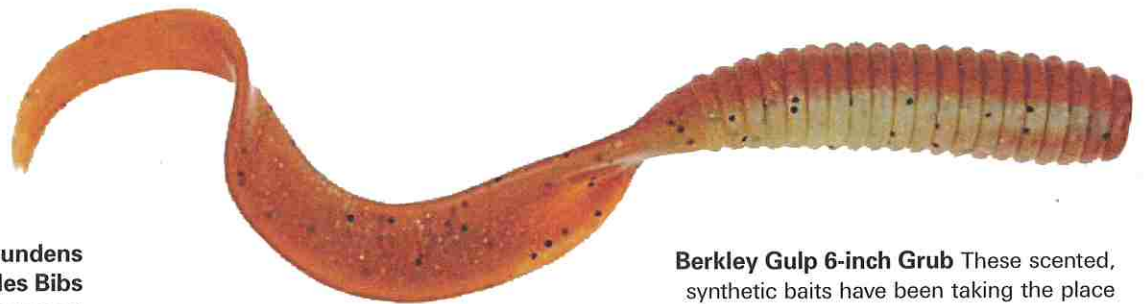

Cuda Bucket Tackle Center

Turn an ordinary 5-gallon bucket into a portable rigging station with slots for tools and holes to hang hooks and lures. \$12

Grundens Herkules Bibs

The fact that most party boat mates wear Grundens when working the rail is a compelling argument for why every partyboat fisherman should have a pair of these bulletproof bibs. \$150

Berkley Gulp 6-inch Grub These scented, synthetic baits have been taking the place of squid and minnows on party boats and putting more anglers into the pool money than traditional baits. \$7
